Subject: Application for Leave and Attendance Consideration (23rd July to 25th July)

Respected Sir,

I respectfully wish to inform you that I was shortlisted for the **Final Hands-on Round (AI)** of Automatic Infotech after successfully clearing the **walk-in interview** rounds.

During the period from **23rd July to 25th July**, I was in Pune for the company's final selection process. The company had informed us that the schedule for the hands-on round could be announced at any time, making it necessary for me to remain in Pune throughout that period. Therefore, I was unable to attend my regular academic sessions at the college.

This was an important career opportunity for me, and I sincerely request you to kindly grant me leave for the above-mentioned period. I also request you to kindly consider my attendance for the period from **23rd July to 25th July**, as my absence was solely due to my participation in the company's final selection process.

I assure you that I will complete all the academic work missed during my absence and make up for any pending assignments or classwork at the earliest.

I shall be grateful for your kind consideration.

Thanking You.

Yours faithfully,

Pruthviraj Ankush Thorbole
